

CAREERS IN CONSTRUCTION MONTH

PRESENTED BY

October is **Careers in Construction Month** (CICM), an annual month-long celebration of craft professionals and the career opportunities in the construction industry.

During CICM, organizations around the country work together to raise awareness of the great careers in construction.

HOW TO PARTICIPATE

1 File a Proclamation Request

Send a request to your state government to proclaim October as Careers in Construction Month.

[Click here for State Proclamations Guide](#)

2 Get on the Map

Notify BYF of your submitted request to turn your state **BLUE** on the CICM Map and receive your state's "Filed" social media graphic.

3 Receive Proclamation Approval

If approved, your state will send you an official document signed by the governor proclaiming October as CICM. The first 8 states to proclaim win prizes!

[Click here to see CICM Prize List](#)

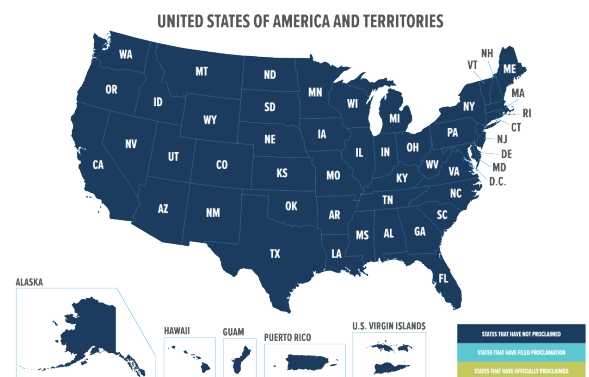

4 Share Your Proclamation

Email a copy of your proclamation document to BYF to turn your state **GREEN** on the CICM map and receive your state's "Proclaimed" social media graphic.

5 Start Planning Your CICM

Begin preparing how you will celebrate Careers in Construction Month online and in your community.

[Click here for the CICM Handbook](#)

Claim your spot on the 2020 CICM Map!

Earn special CICM social graphics!

Email proclamation filings and documents to proclaim@nccer.org to be included on our CICM Map and be eligible for prizes.

Use **#CICM** on social media to share proclamation updates and construction career content on social media.
